

**VISION**

A catalyser - Private Sector for Development (PSD4)

A driver for inclusive growth

A welcome alternative to the decreasing levels of official development assistance (ODA) to Africa

**STRATEGY**

Coalescing of inter-connected enterprises and associated institutions that face common challenges and opportunities

To avoid duplicating efforts

To build Effective Alliances across sectors

**MISSION**

The promotion of the Private Sector defined as a pattern of economic growth in targeted areas with a high growth and, development potential

To promote the opportunities for Belgian businesses
